## FACTS!

### ABOUT WATCHES.

We Do Not have to speak in third person, when advertising and puffing ourselves and the goods we handle.  
We do business on facts—with reliable goods on business principles.  
We Do Not pretend to carry the largest stock of goods in our line in the country.

We Do carry a line of watch movements of approved makes, second to none in Northern Michigan.

We Do carry an assortment of gold, filled, silver, and nickel openface and hunting cases, not surpassed in this section.

We have advantages that enable us to give our patrons special inducements.

We Are the only firm in Cheboygan buying its Rockford Watches direct from the factory.

We Are the only firm in Cheboygan having the legitimate and exclusive right of sale of the Rockford Watch from the company.

We Are the only firm in Cheboygan that can prove its right of sale for the Rockford Watch by certificate from the company.

We are the only firm in Cheboygan recognized by the Rockford Watch Co. as entitled to handle its goods.

We are the only firm in Cheboygan that can consistently give the liberal guarantee we do on the Rockford watch.

We Are the only firm in Cheboygan whose warranty of the Rockford watch is sustained by the manufacturer.

We Do Not keep the Rockford watch to puff or damage the reputation of other makers' goods.

We Do Not keep the Rockford watch alone, we also have the well-known goods of the Waltham, Elgin, Springfield, Hampden, and Lancaster watch companies.

We do sell the "Rockford" as our leading watch, on its superior merits only.

We Will sell you any make of watch you may have a preference for, for what it is and at a fair price.

We Ask you to call on us when in want of anything in our line and compare our goods and prices.

We Know that you will find it to your interest to favor us with your trade if quality and price of goods is an object to you.

Respectfully Yours,  
A. L. FEXER,  
Jeweler.

Make calculation to plant several trees this Spring, they are the only thing that can throw Cheboygan in the shade.

The singers of the M. E. C. feel fixed since their promotion to the gallery. Singers always did love to get as near heaven as most sinners.

There is no question but what Republicans have the power. Let them not abuse it but use it in deference to the wants and wishes of the people.

Con. Gallagher didn't let the supervisorship slip away from the Democracy, he is happy, they are all happy, and Con. will make a first-class supervisor.

One man voted in the morning and tried to repeat in the afternoon. He was tucked away in his little bed to reflect upon the purity of the ballot box.

Capt. Kirtland and family take possession of the north side of the Patterson mansion May 1st., where he will have good neighbors and can be as jolly as he pleases.

Uncle Tom's Cabin was well performed at the Opera House on Monday evening by the Union Square Company. The troupe struck a bonanza for the house was packed to its utmost capacity.

The clerkship went where it will do good and be properly attended to. No Democrat could suit Republicans better than Norman Lyons, an upright, industrious and highly esteemed citizen.

It is proposed to complete the road to Mullett Lake, starting between sections one and two 37.2 west, running directly south to the lake, shortening the distance 1 1/2 miles, and giving a much better road.

Parcelle's eagle was let loose from the tower of the Town hall on Monday. He soon struck the ground, not making much of an attempt to fly. He was again captured and joined the crowd electioneering.

The ditch running north along the east corporation line to the lake was an impassible swamp is now well drained. The ground is easily traveled now in midsummer last year it had to be waded. The ditch drains 15,00 acres.

Little Harry Milliken was helpless from hip disease. It was deemed best to take him away for treatment, but Dr. Gerow has brought him around all right and the parents of the child think a wonderful cure has been accomplished.

The Prosecuting Attorney on Saturday made his debut at the roller rink opening as champion skater; he executed himself through all known fantastic tumbling, covering himself with glory, trade marks and sizeable brands every time he fell. A worthy Shepherd to lead the plunging flock to follow.

A telegram sent from Indiana in March to John Becker, Cheboygan, was received at the telegraph office John Baker. The message was delivered to the residence of John Baker, and was sent to him in the lumber woods. This message was announcing the death of Mr. Becker's father and thus prevented him from and family from attending the funeral. The operators claim the mistake must have occurred in some repeating office.

No man has a cooler head or sounder judgement for business than R. Patterson. He has been with Cheboygan from the first, owns much real estate and many houses and is always improving. He says his applications for houses by new comers are far ahead of his ability to supply and that there is this spring a marked advance in the demand for good houses, ranging from \$15 and upwards per month. He thinks the indications unmistakably mean a constantly enlarging growth for our city.
